S.R. 35 of 98-99

This is a case in which the petitioners complain of loss on account of the prevalence of plague and pray for remission. The petitioners, Kale' Ganda and Bale' Ganda, Toddy contractors of Chennapatna etc allege that they suffered loss to the extent of Rs 4000/- that they paid Khisti upto end of November by sale of all their property and that they could not pay the Khisti of December and of subsequent months. They pray that a responsible officer be deputed to enquire whether they have really sustained loss and that pending such enquiry they may not be teased for the arrears due from them.

A former petition of the contractors had been forwarded to Excise Commr. for disposal. That Office has given an endorsement that under condition 11 of their licence the petitioners are not entitled to claim for any remission. The petitioners in their turn allege that if they had foreseen that

such a dire disease would break out
during the period of their contract,
they would not have agreed to act
up to such conditions of the licence

There is a second application
of this kind.

May the petition be forwarded
to Excise Commrs for report?

ABSTRACT

The petitioners state that, as the usual Contractors made up their minds to bid as low as possible in the auction sale of the toddy shops, the petitioners bid them at very high rates, that owing to plaque, they have not realised the barest true tax, that they have also lost Rs 4000/- that they were paying even under the said embarrassing Circumstances the Govt demands in due time, that the toddy tappers, the and other people of their establishment have quite deserted them & that they took up the contract simply imagining that the times would not change,

that they are prepared to give up the Contract unless 50% reduction is sanctioned and that their deposit and loss be ordered to be refunded/remitted
